STAYTON FIRE DISTRICT

Safety Committee Meeting

Date of today's meeting July 5, 2018

Start time: 5:30 pm

ATTENDANCE

- Sean Weitman, FF/Mechanic James McDougal, Eng. Scott Vigil, Officer
- Rhonda Grant, Admin Josh Pearce, FF Scott Orr, FF

1. Incident Review: None at this time.

Hazard	Recommendation	Person to Follow up

2. Station Inspections will be on hold due to Seismic Rehab work at stations
3. Driver's Rodeo: Committee reviewed the course layout, purpose of the Rodeo, set up, process, and check off. There will be several drills where members can do the rodeo and the driver refresher class.
4. Committee Training: Members completed SDAO Accident Investigation webinar

Good of the Order:

Sean reported that SDAO will be allocating more funds this year towards the Safety Grant so be thinking of projects we might want to submit for this. Ideas included:

- Better visibility of lines when backing in bays (St. 80)
- Door locks (i.e. swipe card entry system)
- Extrication gloves for all firefighters

Committee Secretary, Rhonda Grant
